FIRST SATURDAY OF THE MONTH

SUBVERSION

Due to Easter falling on the first Saturday of April, and as TG always do an Easter Special, **Subversion has MOVED to FRIDAY 6th APRIL**, which means an Easter Extravaganza! And you even get Bank Holiday Monday to recover.

For those who want to do both Subversion and TG, Subversion will be helping out with the coffers. If you bring your TG ticket and show it on the door at Subversion you can get in for £15 - that's a **£5 saving on the door price!**

Thanks to **Xtreme Footwear** we have a pair of fabulous Thigh Boots to give away in a Free Prize Draw!

You can see these boots on the **Xtreme Footwear** flyer in this pack and on their website you can see over 500 of the hottest & wildest alternative styles of footwear from around the world. Unlike many online stores, the website has been designed to give you a pleasant and enjoyable browsing and shopping experience. Hurrah! We like that! There are five distinctive footwear categories, in sizes UK 3 up to 16, with clear photos of each item. And the prices are good. We like that too!

You may have seen Xtreme Footwear at The Skin Two Expo last October and you can see them at The London Fetish Fair every month - but do check out their website first as the range is huge and you might want them to bring something in your size to the next LFF
